

Integrated Energy Therapy® Certification Classes

Become a Certified
Integrated Energy Therapy® Therapist
while enjoying a day of healing, education and fun!

WHAT EACH CLASS OFFERS:

❖ Basic Level Class

Learn the Heartlink process, how to feel, interpret and clear (transmute) energy, learn the IET Cellular Memory Map, and chakra system. Learn about the 1st and 2nd pair of your 12-strand DNA. Experience giving and receiving a full Basic Level IET session. And more...!

❖ Intermediate Level Class

Learn about the Human Energy Field and energy imprints. Learn and practice the pullout and release technique. Learn how to feel and release physical, emotional, mental and karmic patterns. Work with secondary chakras in your hands, and learn about the 3rd and 4th pairs of your 12-strand DNA. Experience giving and receiving a full Intermediate Level IET Session. And more...!

❖ Advanced Level Class

This class focuses on your Soul's mission and living your dreams! In this class you will learn about and work with the 8th, or Soul, chakra, as well as learning and using the muscle tension-relaxation techniques that help accelerate manifestation of your true desires! With the Advanced Level you will continue working with the 4th pair and additionally the 5th pair of your 12-strand DNA. You will also move beyond the Human Energy Field and learn about Earth energy, and how to bless a space with a Heartbeam! You will give and receive an IET session with the Advanced Level "add-on's". And More...!

❖ **You will receive and energy Attunement and certificate of completion at each level.**
