

Energy Medicine

Empowering the Mystic Within

Throughout the ages Mystics from every culture and religion, have all shared a common practice: Communion (an intimate awareness) with the higher self, with the Divine Creator for wisdom, wellness and empowerment. They were all lead to the sacred inner sanctuary and given the tools, roadmaps and knowledge of how the Universe works. One of the most powerful tools discovered by the Mystics was that of Self awareness, and what today is being called Energy Medicine. The practice and science of Energy Medicine goes far beyond healing the physical body, it is one of the gateways to living a life of Success, Love, Joy, Prosperity, Wellness, Harmony, Bliss and fun!

In this workshop we will:

- **Review the subtle energy bodies of the Chakras, Aura, Cellular memory and 12-strand DNA**
- **Explore the Divine science behind “Energetic Imprints” and how clearing restrictive energies from our energy body leads to expansion in wellness, harmonious relationships, prosperity, inner peace, creative flow and clear intuition**
- **Journey through a guided chakra and energy field clearing**
- **Connect with the Soulstar (eighth chakra) for Divine Guidance for a specific area of your life**
